Dear Customer,

Due to recent resale negotiations with Coach, it has been deemed necessary by this vendor to limit the distribution of their goods and restrict the manner in which these are re-sold. All future better handbag purchase invoices will be accompanied by the attached addendum to reiterate this revised policy.

Please be advised that all purchases of Coach better handbags are no longer allowed to be marketed via the internet (e-Bay or otherwise) or shipped outside the United States. Clients found to be in violation of this policy directly or indirectly (through further resale) will be subject to legal action. Additionally, and re-sale of these goods will require proper notification of this policy to subsequent purchasers and require that records of such be retained one year after the initial purchase of the goods.

Thank You,
Paul Foxson
